

# OPTIPOST

INCISED TIMBER ROUNDS

**15** YEAR WARRANTY

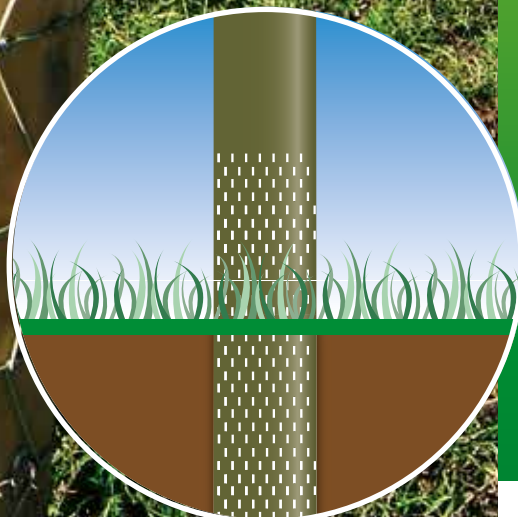

## High performance posts and strainers with a 15 year warranty\*

- OPTIPOST comes with a 15 year warranty against premature failure from decay and insect attack
- Air dried and incised machine rounded timber to ensure superior performance and long life
- Pressure treated with the very latest TANALITH wood preservative to BS8417 (Use Class 4)
- All raw material used for OPTIPOST is sourced from sustainable FSC forestry resources
- All OPTIPOST products are marked by a distinctive nail to identify the year of manufacture

\*For full warranty conditions visit [www.drenagh.co.uk](http://www.drenagh.co.uk)

Incising the timber at ground contact level ensures optimum preservative penetration where you need it the most.
